BBG Academy has just embarked upon an extensive building project to add 12 new fully equipped classrooms, an innovative dining room extension and brand new changing facilities to the current building. The school is oversubscribed due to its' success and from the commitment of the Trust in providing private school opportunities in a modern comprehensive environment. We believe that traditional values of discipline and respect are sacrosanct. We do not tolerate bullying, defiance or rudeness to staff and this has made for harmonious and safe learning environments for our young people, and a supportive environment for staff. We are a happy and well run organisation and this is an extremely exciting time to be part of The Rodillian Multi Academy Trust.
