

PD General Principles September 2020

- Comments remain;
- Detention remains (academies to organise bespoke operation);
- Isolation remains (academies to organise bespoke operation);
- Exclusion remains, following the same escalation of number of days;
- Every attempt made to cap exclusions at 5 days to avoid use of 6-day provision;
- No shadow exclusions i.e. time served in another academy;
- The accumulation of detention to lead to either Head's Detention or another bespoke punishment – not isolation;
- Colleagues to attempt to continue to use Student Planner for reward stamps as they feel comfortable;
- On call to be used quickly to avert issues around students handing over planners;
- Coughing with intent and spitting to be dealt with by exclusions;
- Parent meetings are to be by prior arranged appointment only, outside of the school day.

Each academy will have their own principles to adhere to social distancing and pod/bubble requirements.

As a general principle, Senior Leaders (unless teaching) to work around behaviour management.
