

Department for Education COVID-19 Testing Privacy Statement

Ownership of the Personal Data

To enable the Covid-19 testing to be completed in Academies operating in the Rodillian Multi Academy Trust, we need to process personal data for staff and pupils taking part, including sharing of personal data where we have a legal obligation. **The Rodillian Multi Academy Trust** is the Data Controller for the data required for processing the tests and undertaking any actions which are needed by any of our Academies to ensure we meet our public health and safeguarding legal obligations.

Personal data relating to tests for students is processed under paragraph 7 of the Schedule to the Education (Independent School Standards) Regulations 2014 applicable to academies.

Personal data relating to staff is processed under the legitimate interest of data controller to ensure we can minimise the spread of COVID in a timely manner and enable us to continue to deliver education services safely and securely.

The following paragraph is relevant to both students and staff taking tests.

The processing of special category personal data is processed under the provisions Section 9.2(i) of GDPR, where it is in the public interest on Public Health Grounds. Data Controllership is then passed to the Department for Health and Social Care (DHSC) at the point that we transfer data about you and your test results to them. For more information about what they do with your data please see the COVID-19 App privacy notice - [Your data and privacy – NHS COVID-19 app support - NHS.UK](#)
